

Curriculum Vitae
Susan D. Clayton
Whitmore-Williams Professor of Psychology
<http://discover.wooster.edu/sclayton/>

The College of Wooster
Department of Psychology
930 College Mall
Wooster, OH 44691
(330) 263-2565
FAX: (330) 263-2276
e-mail: sclayton@wooster.edu

Educational background

B.A. Carleton College, 1982 magna cum laude with distinction in psychology
M.S. Yale University, 1984
M.Phil Yale University, 1985
Ph.D. Yale University, 1987 in social psychology

Employment history

2004- Professor of psychology, The College of Wooster
1997- 2004 Associate professor of psychology, The College of Wooster
1992-1997 Assistant professor of psychology, The College of Wooster
1989-1992 Assistant professor of psychology, Allegheny College
1987-1989 Assistant professor of psychology, Tufts University

Other professional positions

2011- Fellow, Institute for Human-Animal Connection, University of Denver Graduate
School of Social Work
2006-2007 Visiting Research Associate, Oberlin College Environmental Studies Department
2001-2002 Visiting Scholar, University of Massachusetts, Boston, School of Natural
Resources
1997 Visiting Research Fellow, University of Kent, Canterbury, UK
1991 Visiting Research Associate, Oberlin College Psychology Department

Publications

Books

Clayton, S., & Howell, C. (1992). [Review of E. Meehan & S. Sevnhuijsen, Eds., Equality politics and gender.] *Sex Roles*, 27, 566-569.

Presentations

Clayton, S., & Koehn, A. (2011, August). Perceptions of responsibility and harm following the Gulf oil spill. Paper presented at the meeting of the American Psychological Association, Washington, D.C.

Bernstein, M.H., & Clayton, S.D. (2011, May). The natural environment's effect on emotion, cognition, and health. Poster session presented at the meeting of Association for Psychological Science, Washington D.C.

Clayton, S., & Burgess, C. (August, 2010). Paper presented at the meeting of the International Society for Justice Research, Banff, CA.

Clayton, S., Bernstein, M., Falkoff, S., Pape, J., & Stein, E. (August, 2010). Paper presented at the meeting of the American Psychological Association, San Diego, CA.

Clayton, S., & Pape, J. (July, 2010). Paper presented at the International Conference for Applied Psychology, Melbourne, AU.

Clayton, S. (August, 2009). Transboundary protected areas and the promotion of positive intergroup relations. Paper presented at the meeting of the American Psychological Association, Toronto, CA.

Clayton, S. (June, 2009). Nature in urban environments: The role of zoos. Paper presented at the meeting of the Society for Human Ecology, Manchester, UK.

Clayton, S. (February, 2009). Expanded identity and support for environmental protection. Paper presented at the meeting of the Society for Personality and Social Psychology, Tampa, FL.

Clayton, S., Fraser, J., & Burgess, C. (September, 2008). Defining wild animals: Visitor conversations in response to zoo exhibits. Paper presented at the meeting of the Society for Human Ecology, Bellingham, WA.

Clayton, S. (August, 2008). What do we do at the zoo? The significance of a wild urban setting. Paper presented at the meeting of the American Psychological Association, Boston, MA.

Clayton, S., Burgess, C., & Gertz, N. (July, 2008). Perceptions of urban green spaces. Paper presented at the meeting of the International Association of Person-Environment Studies, Rome, Italy.

Burgess, Claire & Clayton, Susan (June, 2008). Effects of a local park on an urban neighborhood. Poster presented at the meeting of the Society for the Psychological Study of Social Issues, Chicago, IL.

Clayton, S. (2007, August). Environmental identity and support for animal rights. Paper presented at the meeting of the American Psychological Association, San Francisco.

Clayton, S., Fraser, J., & Saunders, C. (2006, October). Interpreting animals at the zoo: Visitor-to-visitor communication about animal exhibits. Paper presented at the meeting of the Society for Human Ecology, Bar Harbor, Maine.

Clayton, S. (2006, August). Justice for all? The case of animal rights. Paper presented at the meeting of the International Society for Justice Research, Berlin.

Clayton, S. (2006, June). Psychological tools to promote conservation. In C. Saunders (chair), *Conservation psychology*. Symposium at the meeting of the Society for Conservation Biology, San Jose.

Clayton, S. (2005, October). Using biology and psychology to help home gardeners care for their land. In G. Myers (chair), *Conservation psychology*. Symposium presented at the meeting of the Society for Human Ecology, Salt Lake City.

Clayton, S. (2005, August). Effects of exhibits on zoo visitor responses to animals. In S. Clayton & E. Tobach (chairs), *Psychologists in zoos*. Symposium presented at the meeting of the American Psychological Association, Washington, DC.

Clayton, S. (2004, July). What the natural environment has to offer mainstream psychology. In D. Winter (chair), *Environmental, Eco, and Conservation Psychology: Exploring the Intersections*. Symposium presented at the meeting of the American Psychological Association, Honolulu, HI.

Clayton, S. (2004, July). Perceptions of identity and perceptions of justice. In S. Clayton (chair), *Justice and Identity*. Symposium presented at the meeting of the International Society for Justice Research, Regina, Saskatchewan, Canada.

Clayton, S. (2004, June). The necessity and utility of conservation psychology in environmental venues. Panel discussion presented at the International Symposium on Society and Resource Management, Keystone, CO.

Clayton, S. (2003, August). Thinking about nature and the self. In Connections to Nature: The Significance of Nature for Identity. Symposium presented at the meeting of the American Psychological Association, Toronto.

Clayton, S. (2002, August). How we see nature: Describing an ideal environment. In Conservation Psychology: Meanings, Emotions, and Identity in the Natural World. Symposium presented at the convention of the American Psychological Association, Chicago.

Clayton, S. (2000, October). Descriptions of an ideal environment. In L. Kalof (chair), The Social Construction of Nature. Symposium presented at the meeting of the Society for Human Ecology, Jackson Hole, WY.

Clayton, S. (2000, August). Ecological identity and environmental conflict. In S. Opatow (chair), Social Identity and the Natural Environment. Symposium presented at the convention of the American Psychological Association, Washington, D.C.

Clayton, S. (2000, August). Greening the branches: Environmental practices in APA divisions. In D. Winter (chair), Greening APA 2000. Symposium presented at the convention of the American Psychological Association, Washington, D.C.

Clayton, S. (2000, April). Justice and the natural environment: A psychologist's perspective. Paper presented at a symposium on Ethics and Global Issues, The College of Wooster, Wooster, OH.

Clayton, S. (1999, August). How deep are the roots? How wide are the branches? In D. Winter (chair), The greening of APA. Symposium presented at the convention of the American Psychological Association, Boston, MA.

Clayton, S. (1999, August). The significance of nature as a part of personal identity. In S. Clayton (chair), Identity and the natural environment. Symposium presented at the convention of the American Psychological Association, Boston, MA.

Clayton, S. (1998, August). Environmental justice for the individual and the group. Paper presented at the convention of the American Psychological Association, San Francisco, CA.

Clayton, S. (1998, June). Environmentalism and collective orientation: The "I" and the "We" in environmental conflicts. Paper presented at the conference of the Society for the Psychological Study of Social Issues, Ann Arbor, MI.

Clayton, S. (1998, May). Distributive and procedural justice in environmental conflicts. Paper presented at the conference of the International Society for Justice Research, Denver, CO.

Opatow, S., & Clayton, S. (1998, August). What is justice for citizens' environmental groups? Poster presented at the meeting of the International Association for Applied Psychology, San Francisco, CA.

Clayton, S. (1997, October). Models of justice in the environmental debate. In T. Dietz (Chair), panel on environmentalism presented at the meeting of the Society for Human Ecology, Bar Harbor, Maine.

Clayton, S. (1997, August). The varieties of justice in environmental conflicts. In S. Clayton (Chair), Issues of justice in environmental conflicts. Symposium presented at the convention of the American Psychological Association, Chicago, IL.

Clayton, S. (1995, July). Preference for macrojustice vs. microjustice in environmental decision-making. In E. Kals (chair), Justice in environmental issues. Symposium presented at the International Conference on Social Justice Research, Reno, NV,

Clayton, S. (1994, August). What's valued in resolving environmental dilemmas: Individual and contextual influences. In G. Cvetkovich (chair), Justice, diversity, and environmental policy: Implications of psychological research. Symposium presented at the convention of the American Psychological Association, Los Angeles, CA.

Clayton, S. (1993, August). The effectiveness of appeals to justice in environmental issues. In S. Opatow (Chair), Green justice: Beliefs about the fairness of environmental protection. Symposium presented at the convention of the American Psychological Association, Toronto, Canada.

Clayton, S. (1993, July). Effects of social group identification: Self-esteem or stigma? In F. Tougas (Chair), Policies for the integration of minorities into non-traditional fields: A threat to self-esteem. Symposium presented at the meeting of the International Society of Political Psychology, Cambridge, MA.

Clayton, S. (1993, July). What's fair in the environmental debate: Reactions to different models of justice. International Conference on Social Justice Research, Trier, Germany.

Clayton, S. (1992, August). Mental simulation following positive and negative outcomes. American Psychological Association, Washington, D.C.

Clayton, S. (1992, July). Reactions to social category identification. International Society of Political Psychology, San Francisco, CA.

Clayton, S. (1991, August). Environmental justice. American Psychological Association, San Francisco, CA.

Clayton, S. (1991, July). The justice of social categories: Race, gender, and affirmative action. International Conference for Social Justice Research, Utrecht, Netherlands.

Clayton, S. (1990, August). Determinants of the experience of injustice. American Psychological Association, Boston, MA.

Lutsky, N., & Clayton, S. (1981, July). How age implies health in generalized attitudes toward elderly persons. Gerontological Society, Geneva, Switzerland.

Lutsky, N., Woodworth, W., & Clayton, S. (1980, May). Actions-attitudes-actions: A multivariate, longitudinal study of attitude-behavior consistency. Midwestern Psychological Association, St. Louis, MO.

Invited presentations

- Denver Zoo, May 2012
- Corvinus University, Budapest, Hungary. February 2012.
- Musee Nationale d'Histoire Naturelle, Paris, France. February 2012.
- Texas A&M, College of Architecture research symposium. October 2011. Keynote address.
- Ecological Society of America, August 2011. Plenary panel discussant.
- American Psychological Association, August 2011. "Conservation psychology: Using psychological tools to address environmental challenges."
- Hacettepe University, Ankara, Turkey, May 2011. "Environmental and conservation psychology: Theoretical and practical tools for environmental challenges."
- Claremont Graduate University, March 2011. "Identity and environment in social context." Part of the Claremont symposium on applied social psychology.
- Bennington College, April 2010. "Psychology and environmental challenges."
- Oberlin College, November 2009. "Psychology and environmental challenges."
- Warren Wilson College, November 2009. "Can psychology help save the world? Human responses to environmental challenges."
- Universitaet Eichstaett, Germany, October 2009. "Justice and environmental conflict: The role of identity."
- Case Western Reserve University Association for Continuing Education, October, 2009. "Responding to global climate change".
- Sichuan University, Chengdu, China, May 2009. "What do we do at the zoo?"
- Carolinas Psychology Conference, Meredith College, April 2009. "Conservation psychology: Why and how people care for nature."
- Baldwin-Wallace College, April 2009. "Conservation psychology: Why and how people care for nature."
- Carleton College, October 2008. "Conservation psychology: Why and how people care for nature."
- Antioch University New England, October 2008. "Environment and identity"
- York College, April, 2008. "Environmental identity: Self and nature in social context."
- University of Missouri, Columbia, November, 2007. "Conservation psychology: Why and how people care for nature."
- Urban Landscaping Ecology Project, Cleveland, OH, October, 2007. "Some psychological factors surrounding urban landscapes."

Centre for Research on Inequality, Human Security, and Ethnicity (University of Oxford, Department of International Development), Singapore, October 2007. "Affirmative action in the United States: Social and psychological context."

Cleveland Metroparks Zoo, Cleveland, December 2006: "Relationships between humans and the rest of nature: Using insights from psychology to promote conservation"

American Psychological Association, New Orleans, August 2006: "Why and how people care for nature"

Cleveland Metroparks Zoo, Cleveland, March 2006: "Visitor responses toward zoos and zoo animals"

Ohio Agricultural Research and Development Center, Wooster, August 2005: "Toward an ecologically sustainable college landscape"

University of Massachusetts, Boston, September 2004: "Human/Nature: Taking positions in environmental conflicts"

Ohio State University, October 2002 [School of natural resources seminar series]: "The psychological significance of the natural environment"

Brookfield Zoo, Chicago, May 2002 [Conservation Psychology conference]: opening remarks.

University of Massachusetts, Boston, April 2002 [Environmental, Coastal, and Ocean Sciences Department Seminar series]: "The psychological significance of the natural environment"

Oberlin College, May 2000 [Psychology department lecture series]: "The psychological significance of the natural environment"

The College of Wooster, March 2000 [Faculty-At-Large lecture series]: "Finding ourselves in nature: The psychological significance of the natural environment"

Meeting of the Society for the Psychological Study of Social Issues, Ann Arbor, Summer 1998: "In search of environmental justice"

University of Kent at Canterbury, Summer 1994: "Reactions to social categorization"

Wayne County Nursing Symposium conference on women's health care issues, Spring 1993: "Women and self-esteem"

Allegheny College, Winter 1992 [Women's studies lecture series]: "Women and affirmative action"

Professional activities and honors

Editor, *Human Ecology Review*, 2009-

Recipient of the 2004 Distinguished Publication Award from the Association for Women in Psychology for Crosby, Iyer, Clayton, & Downing, 2003.

Recipient of the 1993 Outstanding Book award from the Gustavus Myers Center for the Study of Human Rights in the United States for *Justice, gender, and affirmative action* (Clayton & Crosby, 1993)

Fellow, Society for the Psychological Study of Social Issues, Society for Population and Environmental Psychology, American Psychological Association; Member, Society for Personality and Social Psychology, International Society for Social Justice Research

Member, Phi Beta Kappa, Sigma Xi, Psi Chi

Editorial board member for *Analysis of Social Issues And Policy (ASAP)*, the electronic journal of the Society for the Psychological Study of Social Issues, 2001-2004, 2008-2011; *Human Ecology Review*, the journal of the Society for Human Ecology, 2000-09; *Journal of Social Issues*, 2006-2009; *Environmental Communication: A Journal of Nature and Culture*, 2006-2010

Editorial board member for *Social Justice Research*, 2011-present

Editorial board member for the *Journal of Environmental Psychology*, 2006-present

Editorial board member for *PsyEcology*, 2009-present

Invited participant in a workshop on Earth Stewardship organized by the Ecological Society of America, June 2012

Invited participant in a workshop on Defining Climate Literacy sponsored by the North American Association for Environmental Education, July 2011

Invited participant in a workshop on Educating for Climate Change organized by the National Research Council, October, 2010

Participant in workshop at Radcliffe College on "Experience sampling using Palm Pilots to capture day-to-day life in numbers", sponsored by the Henry A. Murray Research Center, February, 2003.

Invited participant in a workshop on Conservation Psychology at the Brookfield Zoo, May, 2002.

Participant in conference at Nag's Heart Feminist Center on "Women in the workplace," May, 1996.

Participant in conference at Radcliffe College on "Beyond difference as a model for studying gender: In search of new stories to tell", sponsored by the Henry A. Murray Research Center, May 1995

Dissertation committee member: Yi-Hsuan Hsu (2003, Ohio State University), Edith MacDonald (2011, Victoria University of Wellington, New Zealand), Abeer Salem (Prescott College), Alix Cosquer (2012, Musee Nationale d'Histoire Naturelle, Paris), Elissa Pearson (2012, University of South Australia)

Selected courses taught

Psychology of Women

Environmental Psychology

Psychology and Law

Stereotyping and Discrimination

Experimental Social Psychology

Introductory Psychology

Introductory Statistics

Multivariate Statistics

Seminar in Self and Identity

Seminar on Peace and Conflict

Protecting Nature: The Why and How of Conservation

Administrative experience and elected committees

Chair of Environmental Studies program, 2008-2011, 2012-

Chair of Psychology department, 2003-2006

President-elect, president, past-president of Division 34, 2006-2009

Secretary of Division 34 (Population and Environment) of the APA, 2002-2006.

Council member, Society for the Psychological Study of Social Issues (Division 9 of the APA), 2003-2006.

Member of the APA Council of Representatives (representing division 34), 2011-2013

Conference with Trustees Committee, 2008-2011

Teaching Staff and Tenure Committee, 1999-2001, 2004-2006, 2012-

Educational Policy Committee, 2003-2004
